Context and Background

The Transition from "If I Stay" to "Where She Went"

Gayle Forman's "If I Stay" introduced readers to Mia Hall, a young cellist caught in a life-altering accident that leaves her in a coma. The novel's narrative alternated between her perspective and the memories of her family and loved ones, culminating in her decision to wake up and choose life. The sequel, "Where She Went," takes place three years later and centers on Adam, Mia's ex-boyfriend, who has since moved to New York City to pursue his music career.
